Mr. President, I have notice of hearing from the Banking Committee.

Mr. President, there will be an Education Committee executive session underneath the south balcony very soon, if not right now...right now, Senator Vickers' Education Committee.

Mr. President, I have a motion from Senator Eret. Senator Eret would move to suspend Rule 3, Section 13 so as to permit the cancellation of a public hearing scheduled for next Thursday, February 14.

SPEAKER NICHOL: All right, Senator Eret, please.

SENATOR ERET: Mr. President, the bill deals with aerial spraying legislation and the Aerial Trades Association people were scheduled to take some state examinations on that same date so they, having an interest in this bill, have agreed that the date be advanced to another date. I would recommend adoption of this motion.

SPEAKER NICHOL: Senator Rod Johnson.

SENATOR R. JOHNSON: Mr. Speaker, members, I concur with the things that Senator Eret has already expounded to you. We've tried to work it out so that both Senator Eret and those who wish to testify on this issue could have a date that was workable and we've talked to Senator Eret and he agreed that he would change the date and basically it is very simple in nature and hope that the body will agree with us.

SPEAKER NICHOL: All right, any further discussion? What we're doing is we need to suspend the rules first and the first vote will be a motion to suspend the rules. All those in favor vote aye, opposed nay. This requires 30 votes. Record, Mr. Clerk.

CLERK: 32 ayes, 0 nays, Mr. President, on the motion to suspend the rules, cancel the hearing and reschedule same.
